Re: Request to Postpone Hearing Date: BZA Application No. 20612

Dear Chairman Hill:

I am writing to request a Motion for a Postponement of the scheduled hearing/meeting for February 9th 2022 to April 15th 2022 or the next available hearing/meeting date. I am requesting this postponement because I could not attend the ANC's scheduled meetings because I had given early birth to my first child and could not make their dates.

I asked the ANC6A to please list their specific questions for me to answer or I could forward questions I cannot answer to the architect. Mr. Brad Greenfield (who appears to be their chairperson) refused and referred me to their meeting minutes. Their minutes did show or provide any architectural or specific questions about my project. The minutes did state a false accusation that I was cited for a trash ticket, when the ticket was intended for another address and dismissed.

The ANC failed to discuss that there is a serious alley trash problem. I have discussed with the ANC to assist with a cleanup or be of assistance for whatever they suggest. I have yet to receive a response.

Between the residents and the District's trash contractor there is clearly a problem with how trash is placed outside and/or how it is picked up. The alley is filled with torn and open trash bag debris consisting of foods and other household items. Yet, my property that they discussed in their minutes is vacant and the ANC is heavily placing this issue on me. I have someone clean up weekly, but it does not help because the alley debris returns. I have called DC about the issue but it still persists, I have several pictures.

My goal is to try to work with the ANC with any questions they may have about my building plans before presenting my case. It is also my goal to assist with them in any way I can to remedy this alley trash issue for good.

Thank you for consideration of this request.

Sincerely,

Bemetra Weir

Certificate of Service on Parties

I hereby certify that I have served this postponement request by mail, email, or in person, on January 25th 2022 on the following parties to this application:

Cc: Brad Greenfield, ANC6A Chairperson
